

## **Matt Edwards Outstanding Citizen Award**

This award is named after Matt Edwards, a 4-H Horse Club Member that was killed in an automobile accident. This individual is just an "all-around good kid" that is well liked and treats everyone in a fair and friendly way. They may not take on any leadership roles, but are the one everyone can depend on to be there when needed and lend a hand. This is the kind a person everyone wants to have around because of the positive energy they have.
